

Hello Pathfinder Friends!

Thank you for your willingness to participate in the Disc Golf Honor pilot. I am hoping to submit this honor to the committee no later than January 15, 2022 to be considered for release in 2022. If not, it will have to wait until 2023.

Along with this letter, you should have received the Disc Golf pilot instructor document and a student document.

I am looking for feedback to help improve the honor prior to submitting it to the committee.

Once again, thank you so much for participating. I hope this will be a fun and rewarding experience. My contact information is below.
